Subject: Updates on the Subpart W Rulemaking

Hello All,

Here is a brief update on some issues that we've been working on, and a couple of attachments in support of those issues.

Regarding the Subpart W risk document, the contractor has received all the comments submitted, and is preparing a new draft of the document. There has been some discussion in the office on whether (b)(5) - D

[REDACTED]. If you have any questions or comments, please send them to me.

We've had a bit of a change in direction regarding the course of the rulemaking. (b)(5) - Deliberative Process Privilege

[REDACTED] I have attached a one-pager for your information.

Direction from the AA's office have encouraged us to accelerate the pace of the rulemaking. We are now scheduled for a proposal by the end of the calendar year. To that end I am beginning to start work on the Options Selection, which will be scheduled for mid-June. I will be sending an invitation for a workgroup meeting under separate cover.

As always, thanks for your participation, and please contact me if you have any questions or comments.

Reid
